THE 100 CLUB

Join today

How does it work?

It costs £5 per month to enter, the draw is made monthly and 3 lucky winners get cash prizes. The more people that enter, the bigger the prize fund.

Where is the money raised spent?

The funds raised provide additional teaching assistant hours for specialised group work, which makes a huge difference to the education of our children.

How do I join?

Simply email jameschristie60@hotmail.com to request a 100 Club form to complete and set up your standing order or request a form from the office and pay by cheque.
